

ATENȚIE:

1. Urmăți cu atenție instrucțiunile de instalare prezentate în paginile următoare.
2. Când umbrela nu este folosită pentru o perioadă lungă de timp sau viteza vântului este de peste 15 Km/oră, umbrela trebuie să fie strânsă.
3. Nu este recomandată folosirea funcției de rotație laterală în condiții de vânt mai puternic de 5 Km/oră.
4. Pe timpul sezonului rece sau atunci când umbrela nu este folosită pentru perioade mai lungi de timp, vă rugăm să o acoperiți cu husă impermeabilă pe care ați primit-o cu această umbrelă. Acest lucru crește durata de viață a umbrelei și previne decolorarea materialului umbrelei.
